Grant has been valuing the local market for over half his life and has not only survived but also thrived with the innovations that have occurred during his 40 years working and living in the local area.

“There have been more changes in our office in the last 5 years than in the previous 30 combined. Each new concept is designed to improve the customer service and results for our clients. I am still amazed at how much more we do today compared to years gone past. Change in Real Estate is inevitable. Growth is optional. It’s a great feeling being a part of the most progressive company in the area.”

Welcome to First National Real Estate Ranges

We're dedicated to delivering an exceptional experience from our Belgrave & Cockatoo office's, so every member of our team strives to make a difference. That begins with our promise – ***We put you first.***

When you need real estate services, it's hard to beat a brand that has been independently endorsed as having Australia's most satisfied customers but that's us, so relax.

To find out which real estate agents rate most highly across Australia, Canstar Blue surveyed adults who had employed an agent over the last three years, whether it related to the buying or selling of a property, lease management, or renting. It found First National Real Estate has been impressing more than any other firm, taking out five-star reviews from consumers in almost every single category, including communication and advice, problem resolution and value for money. In fact, no other real estate agent achieved top marks in any area.

So, whether you're looking to rent, buy or sell a property in Avonsleigh, Belgrave, Belgrave Heights, Belgrave South, Clematis, Cockatoo, Emerald, Ferny Creek, Gembrook, Kallista, Macclesfield, Menzies Creek, Monbulk, Olinda, Tecoma, The Patch, Selby, Sassafras, Sherbooke and Upwey our team will help you find the perfect place.

Visit the First National Real Estate Ranges Team at one of the two office locations or call us, 03 9754 6111 or email sales@rangesfn.com.au.
